

School of Computing

COLLEGE OF ENGINEERING

FOUR UNDERGRADUATE MAJORS

COMPUTER ENGINEERING

BSE, 126 credits

COMPUTER SCIENCE & ENGINEERING

BSE, 126 credits

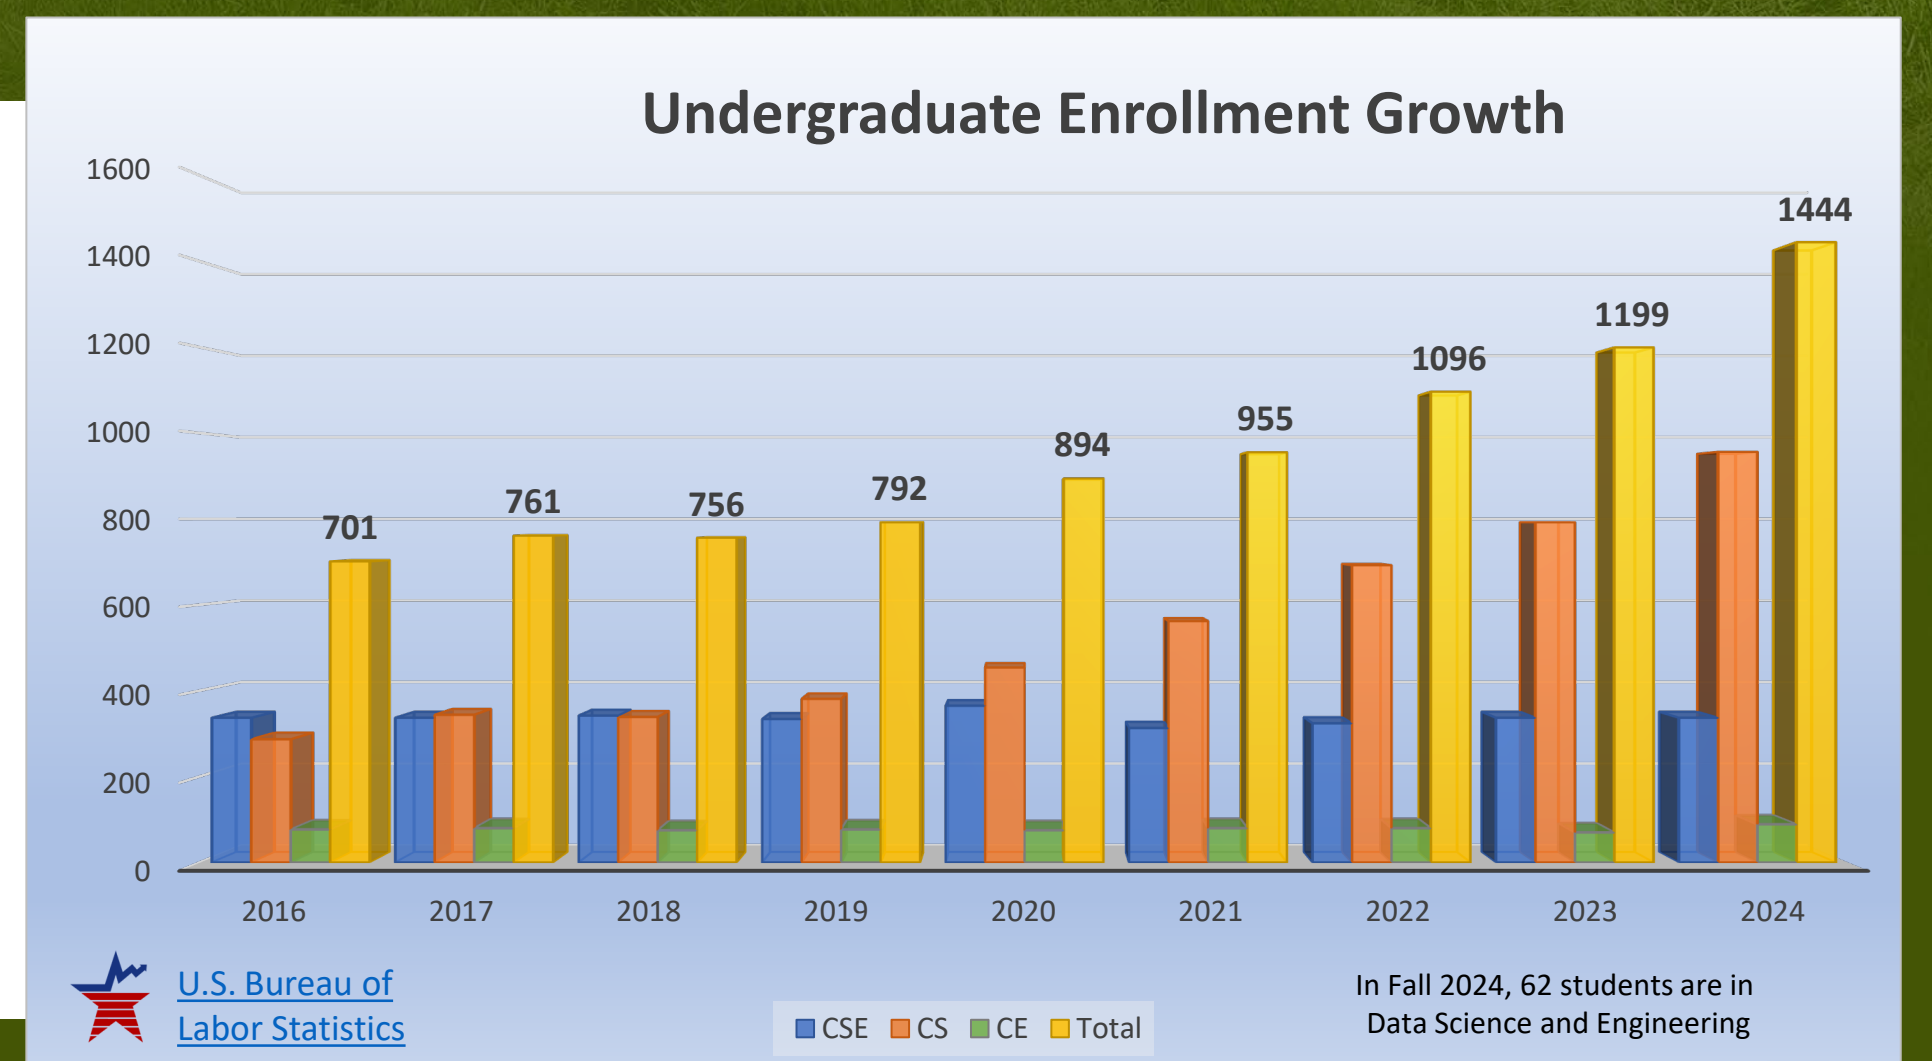

COMPUTER SCIENCE

BS, 120 credits

DATA SCIENCE & ENGINEERING

BS, 120 credits

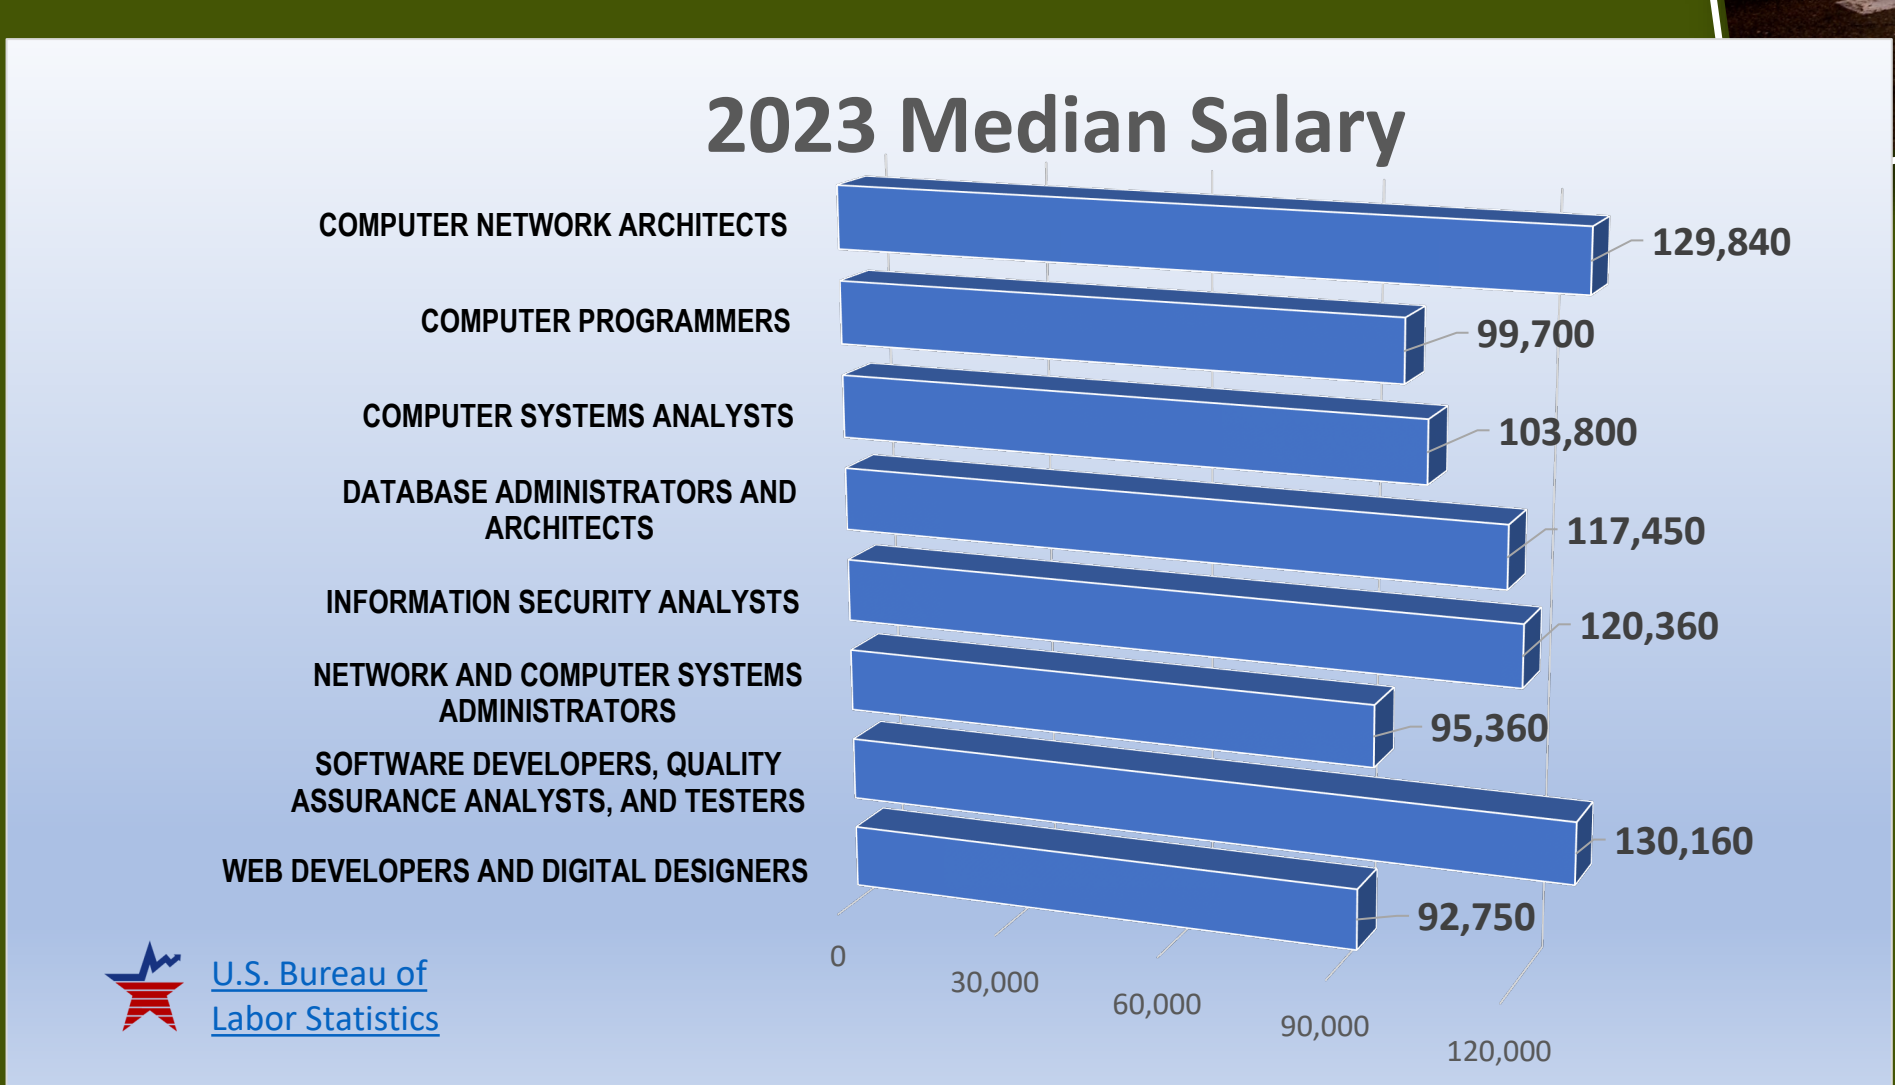

TEN CONCENTRATIONS

- Theory and Algorithms
- Systems and Networks
- Cybersecurity
- Bioinformatics
- Software Design and Development
- Software Design for Mobile Computing
- Computational Data Analytics (Machine Learning)
- Naval Science and Technology
- Unspecialized
- Individually Designed

The **Information Technologies Engineering (ITE)** building on the main UConn campus is home to the School of Computing and EE Department

The **UConn Stamford** branch offers the full 4-year academic program for the Computer Science B.S.

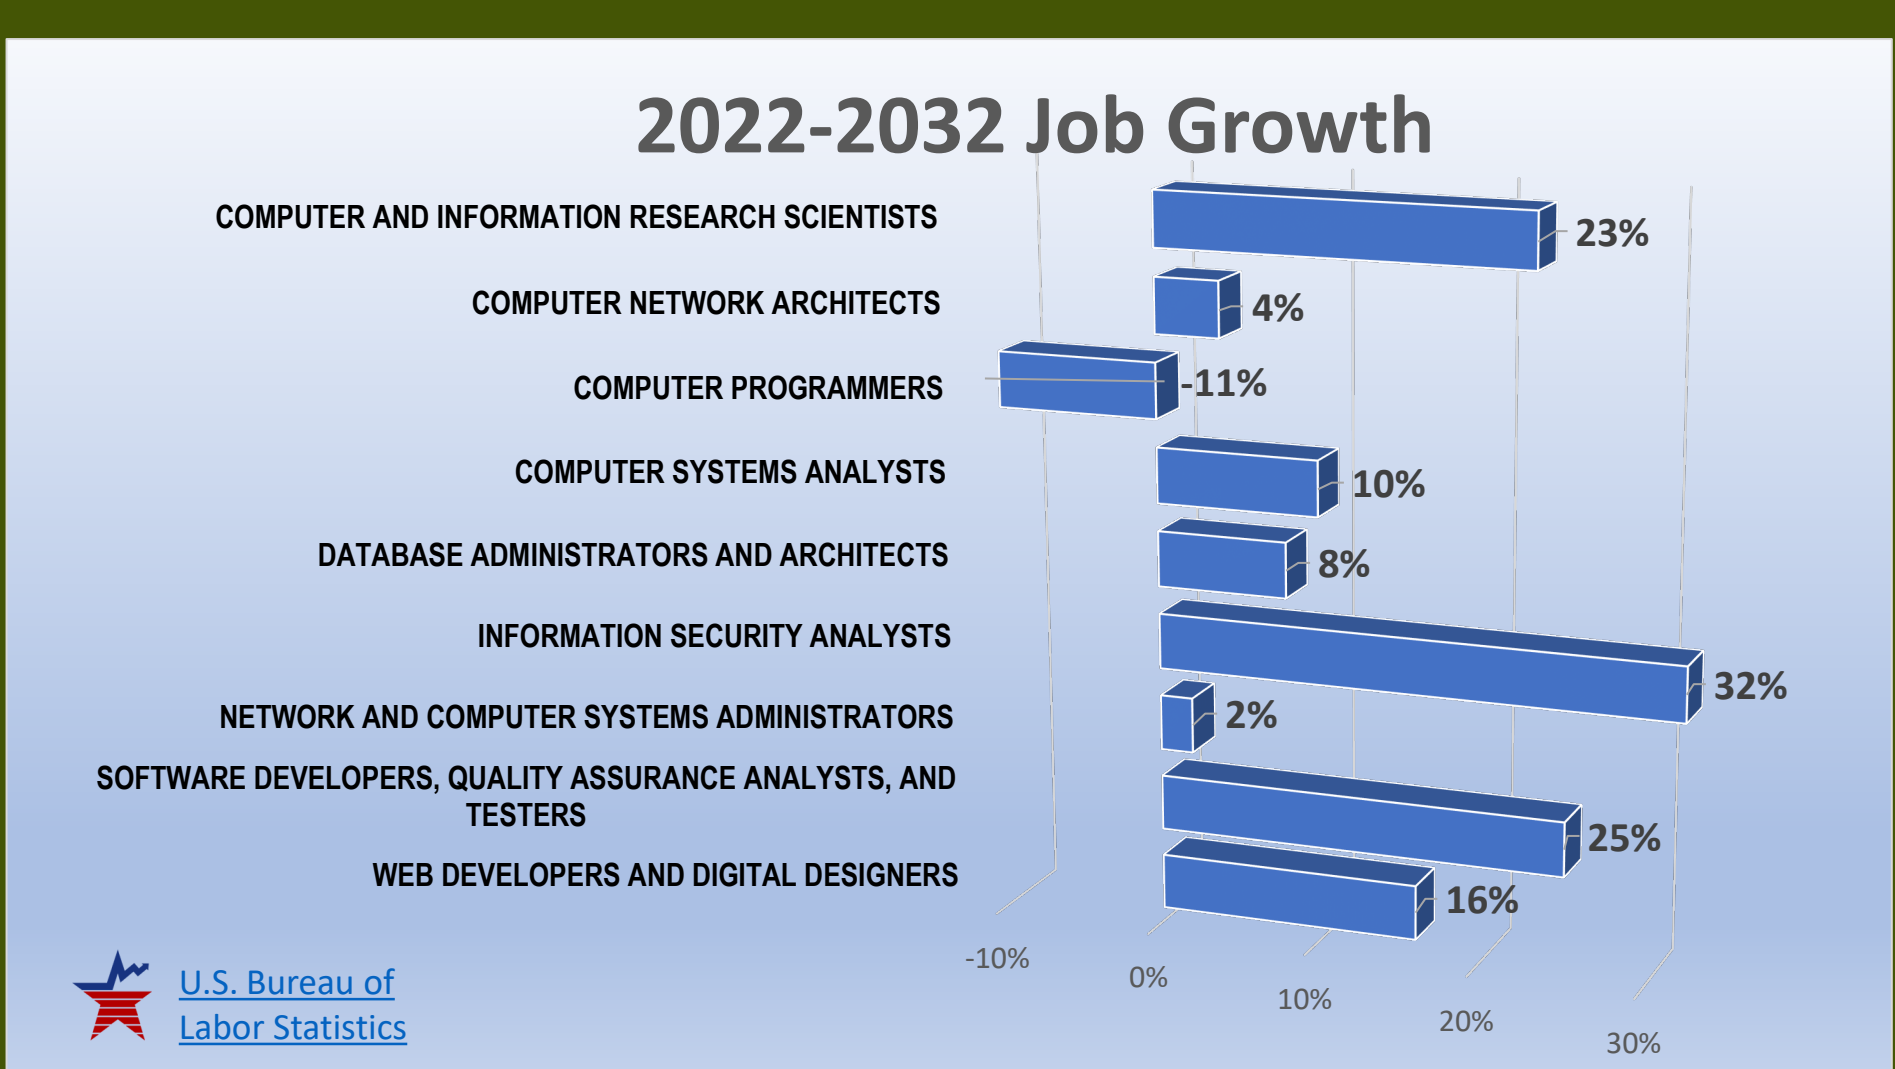

VIBRANT STUDENT LIFE

Engineering Learning Communities and over 700 student clubs and organizations

OUTSTANDING FACULTY!

INDUSTRY SPONSORED SENIOR DESIGN PROJECTS
